"Building Better Communities Together"

January 30th, 2023

Business Leaders can Partner with local Kelowna Kinsmen Club for Community Fundraisers in 2023!

**The Kelowna Kinsmen Club has been
"Serving Kelowna's Greatest Needs"
since 1944 - 79 Years Strong!**

Kin Canada, celebrating 102 years of history, has transformed communities across the country with community projects that were built by volunteers.

Each club determined their community's greatest needs, and went about raising funds and donations. Projects brought communities closer together.

The Kelowna Kinsmen have been doing the same for 79 years, and continue to thrive as they plan and execute fundraisers.

Every successful fundraiser and community event includes the generous donations of sponsors, businesses and volunteers from throughout the community.

As 2023, gets started, they're excited to announce three amazing fundraising events you can get involved with!

They welcome opportunities to **work with Community-Minded Businesses that wish to align themselves with fun and unique events and opportunities to help the community.** They are a trustworthy service club with a long history of giving.

Kelowna Kinsmen Members (a co-ed club of volunteers) are pictured here, donating a check for \$7,000 to the Central Okanagan Food Bank as part of their pre-Christmas appeal for cash and food donations.
